

AFFIDAVIT OF JON M. WEAVER

RECEIVED

GROUP 3600

Jon M. Weaver, being duly sworn, deposes and states:

1. I reside at 5166 Olive Branch Road, Greenwood, Indiana 46143.
2. I am a member of Club Si which is an internet based club comprised of people who own or otherwise have an interest in Honda Civic Si automobiles.
3. One evening during December of 1999, I met with Douglas M. Jennings (hereinafter "Jennings"), along with two other members of Club Si, namely Wes Whitmore (hereinafter "Whitmore") and Kevin Moss (hereinafter "Moss"), at Jillian's Restaurant in downtown Indianapolis for dinner.
4. That evening after the dinner identified in paragraph 3, Jennings, Whitmore, Moss, and I met at a parking lot on the campus of Indiana University - Purdue University at Indianapolis (hereinafter "IUPUI") to view each others' modifications to our Honda Civic Si automobiles. During our meeting in the parking lot at IUPUI, Jennings presented to me a dashboard bezel that included two instrument mounts (hereinafter "EXAMINED BEZEL"), which I personally viewed and examined for a period of time. The EXAMINED BEZEL was substantially identical in physical configuration to the dashboard bezel shown in Exhibit A. Jennings indicated to me that he had designed and manufactured the EXAMINED BEZEL.
5. Before or during my viewing and examination of the EXAMINED BEZEL referred to in paragraph 4, Jennings and I discussed that the EXAMINED BEZEL is designed to be installed in a bezel mounting space that would be

created as a result of the removal of a factory installed dashboard bezel from an automobile, such as a Honda Civic Si, in a manner similar to the manner in which the dashboard bezel having the two instrument mounts is installed in Exhibit A. Further during our meeting in the parking lot at IUPUI identified in paragraph 4, Jennings demonstrated the installation of the EXAMINED BEZEL which included inserting the EXAMINED BEZEL in a bezel mounting space of his Honda Civic Si. Such bezel mounting space was substantially identical in physical configuration to the bezel mounting space shown in Exhibit A.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code.
